Building Strong Families FOR KENTUCKY 2016

OUR FOCUS

Family and Consumer Sciences (FCS) Extension is committed to improving the health and well-being of individuals and families in Pendleton County. To help Kentuckians strengthen their financial, physical, and social well-being, our educational programs focus on:

- **Making Healthy Lifestyle Choices** that influence health and well-being
- **Nurturing Families** as they cope with fewer resources and more demands
- **Embracing Life as We Age** to live independently longer
- **Securing Financial Stability** in a turbulent economic period
- **Promoting Healthy Homes and Communities** that recycle, reduce waste, and protect our environment
- **Accessing Nutritious Food** that is affordable, available, and safe
- **Empowering Community Leaders** as we all work to sustain and improve our communities

In 2014-2015, Family and Consumer Sciences Extension made **13,392** contacts with Pendleton County individuals and families.¹

OUR PEOPLE

SPOTLIGHT ON...

FCS PROGRAMS HAVE POSITIVE IMPACT ON YOUTH

The Pendleton County FCS agent has used the 40 Developmental Asset framework to impact the community, offering programs such as Recipe for Life, the 100% Tobacco-free Campus Campaign, Rachel's Challenge, the billboards campaign, and prescription drug abuse prevention. In November alone, every fifth-through-twelfth grader in the Pendleton County School System was reached by programming. Data collected over the past three years shows a significant change in the number of assets Pendleton County youth have reported.
